WAKEFIELD POLICE DEPARTMENT

Report For the Year of 1964

Herewith is a report of the activities of the Wakefield Police Department for the year of 1964 from August 1 to December 31.

First I would like to thank the Board of Selectmen for their confidence in me by appointing me to the position of Chief of Police upon the resignation of Chief Williams.

Second I would like to thank all the officers of the force for without their splendid cooperation many things could not have been accomplished, such as:

1. The Police Office was open every Friday night from March to October.
2. Association meetings were held once a month which was a great help for the force.
3. On Hallowe'en, the Town was patrolled for two nights.

I mention these things for this work entailed many man-hours which the men graciously gave.

Respectfully submitted,
ALFRED J. ZALENSKI
Chief of Police

WAKEFIELD PUBLIC LIBRARY, INC.

Report For 1964

During 1964 the Wakefield Public Library has been opened to the public on every Wednesday between the hours of 2:00 and 5:00 P. M.

Circulation for the year totals 1550, broken down as follows: adult fiction, 508; adult non-fiction, 516; juvenile fiction, 377; juvenile non-fiction, 32; magazines, 117. The increase in circulation each year indicates greater interest in reading.

Donations of books and magazines have been received from the following friends: Misses Florence and Gertrude Agnew; Miss Eva Bishop; Mrs. Allen Clark; Miss Ivy Cranshaw; Mrs. W. Lamont Giffin; Dr. and Mrs. Frank J. Heck; Mr. and Mrs. Frank T. Lewis; Mrs. Sam Paul; Mrs. James J. Reilly; Mrs. Joseph Smith; Mr. and Mrs. Carlton Spencer; Mrs. Willis Tibbetts; Miss Esther Tripp; Miss Erma Tulip; Mrs. Joseph Vittum; and Wakefield Woman's Club.

During the summer it was found that the roof to the brick vault must be repaired. Although this expense was unexpected, an entirely new roof was built.

Interior painting consisted of scraping and painting the window frames where old paint had become scaly. This greatly improved the appearance of the interior.

One of the outside light fixtures had been broken during the winter and as it could not be identically replaced it was necessary to buy two new lamps, which are in keeping with the building.

Our Bookmobile from Exeter collected its last consignment in late fall and the Concord Bookmobile

now services our library. Mrs. Nancy Wardwell of Concord is the new Extension Librarian.

This librarian attended the November meeting in the State House and another in Rochester in January under auspices of the State Library.

Our summer patrons are appreciative of our attractive building and of services offered; we find them very co-operative.

To our regular readers and our seasonal friends we extend our appreciation.

UNION FREE LIBRARY

Report for 1964

The Union Free Library is open every Wednesday between the hours of 2:30 and 4:30, and 7:00 and 8:00 P. M.

During the year 103 new books were purchased and 26 books presented to the library. Donors were Mrs.

Pauline Dudley, Mr. Mohr, Miss Maude Woodman and Miss Barbara Pratt. Mrs. Edna Trickey gave a year's subscription to the D. A. R. Magazine and Mrs. Barbour donates **Time** and **Stamps**. The total circulation was 2224.

The trustees paid the librarian's expenses to the Library Technicians course at the University last summer. Four trustees attended the State Library Trustees Association annual meeting in Concord in the fall. The librarian attended the meeting of the State Librarians Association at Conway in the fall.

The bookmobile is of invaluable assistance in supplying books, both fiction and non-fiction, for readers of all ages. 1250 books were left with us in 1964.

A consultant from the State Library was with us two days, one day was spent in weeding out old and badly worn books, the second day in teaching arrangement and cataloging. Mrs. Edith Kimball and Mrs. Betty Briggs are cataloging our books and have worked many hours in the library.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy—both industrial and recreational—is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area—4,350,000 acres—is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year

are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Although certain values, certain knowledge, certain skills are constant, education like our society must change. The educational program of today should be different from that of yesterday, and today's will prove inadequate tomorrow. Public schooling in the United States has had the essential quality of flexibility in the past. This characteristic is imperative for the future. Where the schools are headed is more important than where they have been.

The school district of Wakefield, as of July 1, 1964, became aligned with nine other school districts in enlarged Supervisory Union No. 44. This is in accord with the State Board of Education's Master Plan of larger administrative units and to provide greater and more efficient educational services. With

the help of all concerned the transition has progressed very smoothly.

In conclusion, I congratulate the Citizens, School Board, Building Committee for their loyalty, confidence and their support of the new addition to the Paul School, the teachers and pupils for graciously accepting the inconveniences caused by the new construction. I should like to express my appreciation to all of you with whom I have come in contact as superintendent of schools in your community.

Respectfully submitted,
RAMON MARTINEAU
Superintendent of Schools
